Purchasing Information for Private Contractor Purchase of Debris Free Systems

All contractors bidding on installation of Debris Free systems must read and agree to the following terms of purchase.

To receive a price quote for this or any project, the acknowledgement set forth below must be dated and signed and forwarded by facsimile to Debris Free, Inc., ("DFI") at (213) 627-1460 or email a signed copy to info@debrisfree.com, together with the original mailed to DFI at the address above. Only after DFI, has received the acknowledgement of these terms will DFI release pricing information to you or your firm.

Purchasing Information:

- (1) Debris Free requires a 50% deposit of the final quoted price wire transferred into our account along with a purchase order to begin preparing the order. No order will be prepared without confirmation of a successful wire transfer.
- (2) Purchase Order shall set forth all products you are purchasing pursuant to the contract, as well as your intent to purchase the Debris Free systems set forth in the purchase order.
- (3) All purchase orders require *ten business days* for processing. Failure to meet this deadline will result in additional fees to cover expedition of shipping to avoid delay of installation at construction site.
- (4) Installation dates will require a minimum of ten business days written notice via fax or email prior to shipping. Failure to meet this deadline will result in additional fees for rush-scheduling.
- (5) Upon shipment of all products set forth in the purchase order a copy of the invoice will be faxed and emailed to the purchaser. Any remaining and outstanding balance is due in full within 30 days of invoice date.
- (6) All price quotes are valid until no longer than the date and time specified on the initial quote to purchaser/contractor unless extended in writing by DFI.
- (7) DFI does not guarantee any price quote for longer than the period specified in the price quote to purchaser. Contractor/purchaser accepts the responsibility for acting diligently to procure Debris Free systems.
- (8) Please direct any questions to Debris Free, Inc. at (213) 627-8942 or to info@debrisfree.com

The undersigned expressly acknowledges that you have both read and understood the purchasing terms hereinabove and accordingly, agree to the same and thereby request a quotation via fax or email as soon as possible.
